

January News from
Dance Now! Dance Studios, LLC

Dear Julie,

Happy New Year for all of us at Dance Now! We hope everyone had a wonderful Christmas! We hope your new year is off to a great start as well. The weather finally feels a bit more like winter and we were able to have a little bit of snow at least for Christmas! Winter break is winding down and it is time to get started on our recital pieces. So when you return on January 9th, plan on working hard!

Costumes are ordered!

The recital costumes have all been ordered! This is a major event in the recital planning process. Our costumes are due to be at the studio the last week of March, which is right on schedule! If you would like to know what your costumes and others are, please feel free to browse through the costume book located in the main studio hallway. All previous deposits are now non-refundable.

Costume Invoices

You will be receiving a final costume invoice when you return from winter break. This is the final cost for your recital costumes. We begin with a \$45.00 base to allow us to order the costumes early enough to have them by the end of March. The remaining costume fees is the result of shipping, taxes and actual pricing of the garments. Any questions regarding your invoice, please see Julie.

Tuition Reminder

Due to the fact that we are returning from break on the 9th of January, you will have until January 13th to make your payment. All future payments will continue to be due the 1st of the month and no later than the 10th of the month. Late fees are added to your account if not received by the 10th of the month. All accounts need to be up to date in order to participate in the recital and to receive your costumes. Students with tuition more than 30 days past due will not be allowed to participate in class until their tuition is brought up to date. They will be able to sit and observe class.

I would like to take a moment to thank you for dancing with us! We love dancing with you. If you ever have a question or concern, please do not hesitate to come and speak with me, I want your experience here at Dance Now! to be positive and enjoyable! I know you have choices. Thank you for choosing Dance Now! Studios!

Sincerely,
