

Welcome to Dance Now!

September 2011

Welcome to dance! We are expecting a very fun and exciting season! We are glad that you choose to be part of it!
Please read on for important information!

Future Newsletters

This will be your first and last newsletter that you will receive in printed format. All newsletters from this point forward will be sent via email and available on our studio's website. You will receive a test email on October 10th. If you do not get this, please let us know as soon as possible so that we may update our files to ensure you get our newsletters and other important reminders. The newsletters and all other items sent via email will be available in paper format at the studio as well. These items will be located in three blue binders located in the VIP room and on the front studio hallway table. It is your responsibility to keep up to date at the studio if you do not receive your correspondence via email.

Bring a Friend to Dance Class

During the week of October 10th, your child can bring a friend along to dance class. We just ask that they wear comfortable clothing-no exposed snaps, buttons or zippers and have clean socks.
