

Tuition Policy

2022-2023 Season

Tuition is due monthly by the 1st of the month. Invoices are sent via email to each student's email on file. If payment is not received by the 10th of the month, a \$15.00 late fee will be added to your account. Payments are preferred to be made through your Portal account. Payments can also be mailed or dropped off at the studio. All dancers must have an on-line portal account. We use this system to notify students of last-minute cancellations, important reminders, etc. You will also have access to all your account information, be able to register for future classes, receive/send messages, access to all the newsletters and policy letters, music, costume pictures, online studio shop and so much more.

Tuition for the season is divided into 9 equal payments (September thru May). The first of 9 payments are due at the time of registration. Accounts that are delinquent will not be allowed to have children participate in class or recital.
